**DVD RELEASE: ALL GOD'S CHILDREN, DOCUMENTARY
ABOUT CHILDREN OF EVANGELICAL MISSIONARIES
SURVIVING ABUSE AT THE HANDS OF OTHER MISSIONARIES**

Upcoming Public Screening of Documentary in Alabama

(New York City, February 2009) The independently produced documentary *All God's Children*, directed by Scott Solary and Luci Westphal for Good Hard Working People, has just been released on DVD and is now available for purchase via www.allgodschildrenthefilm.com.

The next public screening will take place as part of the George Lindsey UNA Film Festival: **Friday, March 6, 3:30pm - Florence-Lauderdale Public Library, 218 North Wood Avenue, Florence, AL.** This is the Alabama premiere of the film.

Through the eyes of three families, the documentary *All God's Children* (70 minutes) tells the personal story of the first boarding school for children of missionaries to be investigated for abuse at the hands of the parents' missionary colleagues. The survivors and parents share their journey of seeking justice, redemption and healing.

While the American parents were stationed in remote outposts throughout West Africa, their children - starting at the age of 6 - were required to attend the Christian and Missionary Alliance (C&MA) boarding school in Mamou, Guinea. Cut off from their parents and without any reliable means of communication, the children quietly suffered from the abuse by the all-missionary staff. It took the children decades to acknowledge the effects the gross mistreatment had on their lives. When they finally dared to speak out, the C&MA denied all allegations and refused to help. But through years of persistent activism the survivors and their parents finally compelled the C&MA to conduct an investigation and acknowledge the abuses. The healing could begin.
